Special Installation

Site Survey

EVOK900

Product Description

A 4 tier patisserie display for cakes or desserts. Individually illuminated glass shelves make an excellent display and sliding doors to the rear enable easy access for serving. Fully automatic fan assisted cooling ensures reliable even cooling over the whole cabinet. The glass on the unit comes pre-built, you will just need to put the shelves in place when installing.

Features and Benefits

- Fully automatic
- Fan assisted cooling
- Adjustable feet
- Interior light with switch
- Digital controller and temperature display
- Individually illuminated glass shelves
- Glass rear sliding doors
