

IC300SCEB

Product Description

An excellent choice of sliding glass lid chest freezers similar to the IC-SC range but with sloping top for a better visual display, and curved lids which always look better. Ideal for display of frozen food including ice cream and lollies. Sturdy heavy duty castors are fitted to enable easy movement of the cabinet, 2 castors are lockable. Excellent adjustment on the temperature means you can hold a temperature around -14°C for ready to serve ice cream or down to -24°C for other frozen food. The unit comes with a lock as standard and a defrost drain for easy cleaning. The unit also has a fan assisted condenser for efficient operation. A full set of baskets with dividers supplied as standard (except IC100SCEB). A firm favourite with many ice cream companies. (A canopy version for scooping ice cream is also available).
