**Product Description**

The TFW160 is a great way to fit up to 42 wine bottle in an undercounter glass door cooler and have great looking display. Temperature can be adjusted to suit either white or red wines, allowing you to keep them at a perfect ready to serve temperature. The sleek stainless steel door frame and handle coupled with the black carcass will look great in all modern bars and restaurants. Slide out wooden shelves allow easy selection of wine while LED lights helps to keep energy bills down.
