Thermostat

Lock

## Product Description

The TM range of glass door minibars are very popular for hotel rooms and boardrooms. With a silent running refrigeration system they won't keep you awake at night (or during a board meeting). Units come with internal LED lighting that comes on when the door is opened. Please note these are not suitable for shops or other areas where there is high usage.

## Features and Benefits

- Silent running refrigeration system
- Suitable for hotel bedrooms, meeting rooms and boardrooms
- LED interior light (only turns on with door open)
- Lock
- Adjustable shelves
- Adjustable feet
- Low energy consumption
- Can be Integrated into cabinet with optional fixing kit (POA) ventilation holes must be fitted
- Suitable for standard UK electrical supply (50Hz) and also 60Hz
- Reversible door
