Product Description

Promek are an Italian based manufacturer of juice dispensers making some of the best units on the market. The VL range offers single, double or triple tank dispensers to suit all requirements. Switchable paddle stirrers help keep the product at an even temperature and the large bowl size holds up to 11.5 litres of drink. The unit is designed so it can be cleaned easily, the tap is quick and simple to remove and disassemble for cleaning while the drip trays can easily be removed. We can also supply 60Hz versions of this unit (on request) for placement on ships or offshore developments where regular mains current is not available.
